

Cromford Road Cars - Crystal Clear Guarantee

Silver Cover

WHAT IS COVERED?

Depending on the terms, conditions, general exclusions and claim limits shown in this document, the **Silver Guarantee will cover** the cost of repairing or replacing any of the **parts of your vehicle that are listed below** where that part has failed **as a result of sudden and unexpected mechanical or electrical fault**. Silver Cover **does not cover wear and tear**:

Note 1: Diagnostic costs are paid as standard (on covered components only).

Note 2: If a part needs repairing or replacing and is not listed it is not covered.

Individual Claim Limit - £600. Aggregate Claim Limit – Price Paid For The Vehicle

Automatic transmission

Gears, torque convertor, clutches, brake bands, oil pumps, shafts, bearings, shims, valves, governors and servos.

Brakes

Master cylinder, wheel cylinders, brake calipers and vacuum servo.

Differential assembly and final drive

Crown wheel and pinion, planet gears, bearings, shims, driveshafts, driveshaft bearings, CV joints, universal joints, drive flanges and wheel bearings.

Electrics

Alternator, ignition coil, horn, starter motor, cooling-fan motor, screen-wiper motors, screen washer pumps, indicator switch, brake-light switch and fuel-tank sender unit.

Engine

Cylinder block, cylinder head, rocker assembly, hydraulic lifters, valves and guides (except carbonised, burnt or pitted valves), cylinder head gasket, pushrods, camshafts, camshaft bearings, camshaft followers, timing gears, timing chain or belt, oil pump, pistons, piston rings, cylinder bores, connecting rods and bearings, crankshafts and bearings, distributor drive gear, internal bushes, auto drive plate, flywheel and ring gear.

Fuel system

Fuel pump, fuel injection ECU, airflow meter, warm-up regulator and injectors.

Heater and cooling system

Radiator, oil cooler, water pump, thermostat and housing, cooling-fan motor and temperature sensors.

Manual transmission

Gears, shafts, bearings, shims, synchromesh hubs, selectors and extension shaft.

Propshaft

Universal joint and bearings.

Steering

Steering rack and pinion, steering box, idler box and power-steering pump.
